

Organizing Committee of XVI International Scientific and Technical Conference on compressor manufacturing

Dear colleagues!

We are glad to invite you to take part in XVI International Scientific and Technical Conference on compressor manufacturing coincided with 10th anniversary of power-plant engineering enterprise of CJSC “REP Holding”.

The conference will take place from **23rd to 25th of September 2014** in Saint-Petersburg in manufacturing facilities of “REP Holding” (St.Petersburg, Obukhovskaya Oborona prospect, 51).

The hosts of the conference are – “REP Holding” and Association of Specialists in Compressors and Pneumatics (ASCOMP).

This conference is the key field-specific scientific and technical event in terms of which the issues of investigations, design, manufacturing, operation, modernization and service maintenance of compressor equipment of all types are discussed.

The conference program will include the following directions:

- Centrifugal and axial compressors;
- Reciprocating and rotor compressors;
- Gas-pumping units and installation;
- Refrigerating and cryogenic machines compressors;
- Unsteadiness and aeroelasticity in turbomachines;
- Dynamic and endurance, bearings and sealings, modernization;
- Compressor installations operation. Diagnostics and monitoring of compressor equipment.

Acceptance of applications for participation with report:

Applications for participation in the conference with report with obligatory indication of report subject is required to be forwarded to Organizing Committee within **April, 1st 2014** on M.Fafinov@reph.ru (copy: au-mail@list.ru).

Text of the report should be translated into Russian and provided with short lead in English.

Texts of accepted by Organizing Committee reports to be forwarded onto Organizing Committee email M.Fafinov@reph.ru (copy: au-mail@list.ru) within **May, 1st 2014**.

Report text to be prepared in accordance with *Report preparation requirements* specified in Attachment.

Applications for delegatory participation in the conference are accepted within August, 1st 2014.

Working language of the conference is Russian. Reports submitted by foreign authors should be translated into Russian. It is available for contributors to deliver report in the language of the author with participation of Russian language interpreter.

Key dates:

Within 1st April 2014 - Applications for participation in the conference with report (report subject to be specified obligatory).

Within 1st May 2014 – Texts of accepted reports.

Within 1st August 2014 – Applications for delegatory participation in the conference. Applications for participation to be forwarded onto Organizing Committee pr@reph.ru or M.Fafinov@reph.ru

Registration fee (for one participant):

- for representatives of Russia and CIS – 10 000 rubles
- for representatives of ASCOMP (Association of Specialists in Compressors and Pneumatics (ASCOMP) – 8000 rubles.
- for representatives of other countries – 15 000 rubles
- for representatives of higher education institution – 5 000 rubles
